

A collage of 15 colorful and abstract illustrations related to music. The top row includes a woman playing a piano, hands holding a green object, a bird-like figure with musical notes, a large violin face, and a saxophone with a piano keyboard. The middle row features a rainbow with musical notes, a large violin with a rainbow, the text 'MUSIC IS POWER' with musical notes, a woman with a guitar, and a cat on a musical staff. The bottom row shows a woman playing a violin, a woman with a piano and a man with a guitar, a bird with musical notes, a large abstract painting, and a large violin with a cityscape. The illustrations are diverse in style, from realistic to abstract, and use a wide range of colors and textures.

Thousands of students, Hundreds of schools, Dozens of countries, One idea - Together we are strong

European Day of Music in Schools

In 2022 EAS started a new initiative – the European Day of Music in School, which aims to enable children, teachers, parents, and friends across all Europe to celebrate music education.
